# IronFX GLOBAL

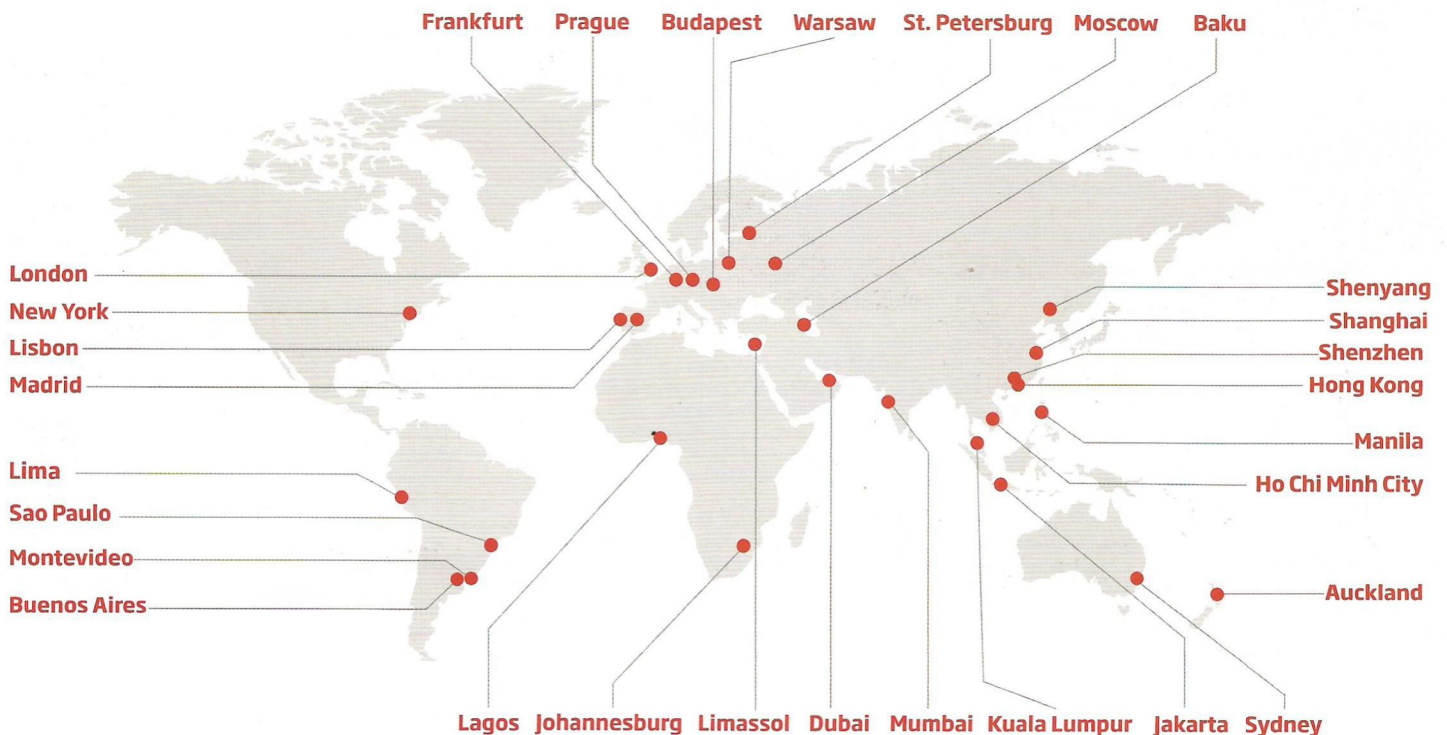

## BECOMING THE GLOBAL LEADER IN ONLINE TRADING

IronFX is the Global Leader in Online Trading, specializing in Forex, CFDs on US and UK stocks, commodities and metals. Round-the-clock coverage is offered to IronFX Global clients in more than 46 languages from one of the world's largest and most multilingual teams of account managers. Combined with the widest suite of products, second-to-none standards in trade execution, pricing transparency and advanced bespoke trading tools, all of these features make IronFX Global one of the world's prominent global online trading companies. IronFX's international recognition speaks for itself, having won numerous reputable awards and establishing itself on the international scene by hosting the largest live trading competitions in FX history.

50 global branches formed into a remarkable operational network. Multi-county regulation with full transparency, IronFX Global is the most reliable international online broker. We provide the best online trading environment to our clients.

**IronFX - Your private financial specialist in online trading!**

# GLOBAL RECOGNITION

**EUROPEAN  
CEO**  
Awards 2013

The European CEO, one of the most well respected financial magazines, has announced that Mr. Markos A. Kashiouris, Chairman & CEO of IronFX Global, has been awarded with the foreign exchange industry's CEO of the Year 2013 title. The foreign exchange industry is growing fast and changing in nature, allowing IronFX Global the opportunity to roll-out a unique customer-centric, best service business model, which has resulted in the Company gaining market share at phenomenal rates whilst remaining an efficient and lean organization. The business model is easily scalable, highly cost-efficient and incredibly successful. The overall result is that the company is growing at an astonishing rate and there is no reason for this to change as long as it continues listening to clients and putting quality of service first. The CEO's vision for the company to be recognized as the global leader in online trading is supported through its continuous investment in innovative products and personnel in order to deliver unrivalled level of service.
